Supervisor Bosworth offered the following resolution and moved its adoption, which resolution was declared adopted after a poll of the members of this Board:

RESOLUTION NO. 547 - 2021

A RESOLUTION TERMINATING THE CORPORATE EXISTENCE OF THE TOWN OF NORTH HEMPSTEAD SOLID WASTE MANAGEMENT AUTHORITY AND TRANSFERRING THE ASSETS AND LIABILITIES OF THE AUTHORITY TO THE TOWN OF NORTH HEMPSTEAD.

WHEREAS, the Town of North Hempstead Solid Waste Management Authority (the “Authority”) was created pursuant to Title 13-F of the New York Public Authorities Law in 1984 for the purposes of financing the construction of certain solid waste management facilities and improvements in the Town in response to New York State’s adoption of the Long Island Landfill Law; and

WHEREAS, the Assistant Treasurer of the Authority has confirmed that any financings issued by the Authority have been completely retired as of February 2018, with the remainder of any improvements to solid waste management facilities in the Town being financed by bonds of the Town; and

WHEREAS, though the Authority has performed, and continues to perform, a myriad of functions with regard to solid waste management, these functions can be performed more efficiently, transparently and cost-effectively by the Town of North Hempstead (the “Town”) through the Town’s Department of Solid Waste Management (the “Department”) without needing to maintain two separate entities for the management of solid waste; and

WHEREAS, if its current functions are to be performed by the Town, there is no longer any reason for the Authority to exist; and

WHEREAS, The Town Attorney, who also functions as Counsel to the Authority, has advised the Town Board that the Town Board may terminate the corporate existence of the Authority by resolution, pursuant to Section 2049-c of the New York Public Authorities Law; and

WHEREAS, on the same date as this resolution, the Board of the Authority adopted a resolution recommending that:

1. The corporate existence of the Authority be terminated by resolution of the Town Board;

2. All rights, responsibilities, liabilities and obligation of the Authority be transferred to the Town;
 3. All real and personal property of the Authority be transferred to the Town;
 4. All contracts of the Authority be assigned to and assumed by the Town;
 5. All employees of the Authority be transferred to the Town and assigned to the Department in the same titles currently held in the Authority and the same benefits offered by the Authority and be assigned the same grades, steps and salaries that they would have otherwise been entitled to on January 1, 2022, subject to compliance with Section 70 of the New York Civil Service Law;
 6. All permits of the Authority, if not already held by the Town, be transferred to the Town;
 7. All fees previously established by the Authority and effective as of this date be adopted by the Town; and
 8. All other rights and assets of the Authority not specifically named above be transferred to the Town
- ; and

WHEREAS, in order to more efficiently, transparently and cost-effectively manage solid waste within the Town, the Town Board finds it in the best interests of the Town to terminate the corporate existence of the Authority effective January 1, 2022 and to take such other actions as stated in this resolution.

NOW, THEREFORE, BE IT

RESOLVED that effective January 1, 2022, the Authority and its corporate existence be and hereby are terminated; and be it further

RESOLVED that the Town of North Hempstead shall, on or prior to January 1, 2022, assume all of the liabilities and obligations of the Authority and provide for the payment therefor, and that the Town shall accept the assignment of, and assume all of the rights and obligations (including both outstanding obligations of the Authority as of January 1, 2022 as well as obligations arising after such date) of, all contracts of the Authority, which contracts as of the date of this Resolution are listed in Exhibit A attached hereto and made a part hereof, and which shall also include all contracts entered into by the Authority subsequent to the date of this Resolution and prior to January 1, 2022; and be it further

RESOLVED on or prior to January 1, 2022, to the extent not already owned by the Town, the Town shall accept all right and title to all real and personal property of the Authority, including any buildings, improvements, fixtures and equipment situated thereon, and any and all personal property of the Authority; and be it further

RESOLVED that all employees of the Authority, which employees along with their respective titles, grades, steps and salaries are listed in Exhibit B attached hereto and made a part hereof, shall be transferred to the Town and assigned to the Department as of January 1, 2022 in the same titles as they are currently in and with the same benefits and accruals that they are currently entitled and at the same grades, steps and salaries as they would be otherwise entitled to on January 1, 2022 as if

the Authority had not been terminated, all subject to compliance with Section 70 of the New York Civil Service Law and provided further that the Town shall assume all outstanding payroll and other personnel payment obligations outstanding as of January 1, 2022 and provide for payment therefor; and be it further

RESOLVED that the Town shall accept the transfer of all permits, orders and registrations issued by any state or local regulatory agency for the maintenance, construction, improvement or operation of any solid waste management facility or function of the Town or the Authority, including, but not limited to, the North Hempstead Transfer Station, the Port Washington L4 and L5 Landfills, the Administration and Leachate Treatment Facility, the Materials Recovery Facility and any facility, equipment or improvement thereon; and be it further

RESOLVED, that pursuant to Section 2049-c(4)(b) of the New York Public Authorities Law, all other rights and properties of the Authority, and all other assets of the Authority not named above, including, but not limited to, financial accounts of the Authority and the assets therein, disposal accounts of the Authority and accounts receivable of the Authority shall pass to and vest in the Town as of January 1, 2022; and be it further

RESOLVED that pursuant to Section 46-7 of the Town Code, all fees established by the Authority for the use of solid waste management facilities of the Town or the Authority, which fees and charges are attached hereto as Exhibit C, are hereby adopted effective as of January 1, 2022; and be it further

RESOLVED that the Supervisor shall, within thirty (30) days of the effective date of the termination of the Authority and its corporate existence, file in the Office of the Secretary of State a certificate setting forth the name of the Authority and the effective date of termination; and be it further

RESOLVED that the Supervisor, the Comptroller, the Commissioner of the Department and the Commissioner of Human Resources be and hereby are authorized to take any and all actions, sign any and all documents and contracts to effectuate the provisions of this Resolution; and be it further

RESOLVED the Town Attorney shall supervise the preparation and execution of all documentation necessary to effectuate the provisions of this Resolution, which documentation shall be placed on file with the Town Clerk; and be it further

RESOLVED that the Comptroller be and hereby is authorized and directed to pay any costs associated with effectuating the provisions of this Resolution upon receipt of certified claims therefor.
